Sir:

In accordance with the duty of disclosure imposed by 37 C.F.R. §1.56 and §1.97 to inform the United States Patent and Trademark Office (“USPTO”) of all references coming to the attention of each individual associated with the filing or prosecution of the subject application, which are or may be material to the patentability of any claim of the application, Attorneys for Applicant hereby invite the Examiner’s attention to references A01-A08, B01-B03, and C01-C68 listed on the attached form entitled “List of References Cited by Applicant.”

Copies of references A01-A04 and B01-B03 and C01-C68 are submitted herewith. Copies of references A05-A08 are not submitted herewith because they are U.S. patents or U.S. patent application publications. Pursuant to 37 C.F.R. § 1.98 (a)(2)(i) as amended (*see* Fed. Reg. vol. 69, no. 182, Sept. 21, 2004), the requirement for providing a copy of each U.S. patent or U.S. patent application publication listed in an Information Disclosure Statement in a patent application, regardless of the filing date of the application, is eliminated.

Identification of the listed references is not meant to be construed as an admission of Applicant or Attorneys for Applicant that such references are available as “prior art” against the subject application.

Applicant respectfully requests that the Examiner review the foregoing references and that the references be made of record in the file history of the application.

Pursuant to 37 C.F.R. § 1.97(b)(3), Applicant believes that no fee is due in connection with the filing of this Information Disclosure Statement.
